

Duck Duck

Words & Music: Matteo Villa (c) 2015

[Verse]

Duck Duck is crossing the street
Duck Duck where do you go?
Duck Duck is hanging around
Tell me Baby? Where do you go?

[Verse]

Duck Duck brand new shoes
Duck Duck and a pretty new coat
Duck Duck is hanging around
Tell me Baby? Where do you go?

[Verse]

Duck Duck and a new ring
Duck Duck what's up for tomorrow?
Duck Duck she's looking so mean
Tell me Baby? Are you up for some chains?

[Verse]

Duck Duck blonde long hair
Duck Duck an a new petty coat
Duck Duck is hanging around
Tell me Baby? Where do you go?

[Chorus]

I'm living the life and hang here around
I go shopping with my new pound
A tea with friends here around
maybe I find a new love or a bag
