

# Living By The River

---

*Words & Music: Matteo Villa (c) 2017*

**[Verse]**

I'm living by the river  
big ships are passing by  
I'm living by the river  
People walk on the river side

**[Chorus]**

Boats are riding down the river  
Carrying goods I don't know where  
People waiting on the pier  
For a ride on the other side

**[Verse]**

Take a walk on a Sunday morning  
sun is shining on the river side  
main road on a Sunday morning  
have a break at the coffee bar

**[Verse]**

there's a ferry on this river  
has been built long time ago  
pretty full on weekend days  
doesn't work in the night

**[Verse]**

I'm living by the river  
big ships are passing by  
I'm living by the river  
People walk on the river side

**[Verse]**

have a Sunday on the river  
you can take all your friends  
have a party on the river  
have a grill on the river bank

**[Verse]**

People call me The Big River  
'cause I'm living by the river  
Yes I'm living by the river  
big ships are passing by
