---

*Lyrics Matteo Villa (c) Music: Matteo Villa & Rolf W. Becker (C) 2018*

**[Verse]**

Saw you dancing at the square last night  
Baby I saw a falling star from the sky  
Came to you and asked for your name  
Spent all night ling with you drinking at the bar

**[Verse]**

Asked for a date for a dinner  
You told me boldly all or nothing  
Got a car and took you for a ride  
You stop me while looking into my eyes

**[Chorus]**

you're the only  
you're the only  
you're the only  
you're the only

**[Verse]**

Went together with you to the store  
Got some food and a bottle of wine  
Watch with you some TV on the couch  
Took your hand and kissed you on your mouth

**[Verse]**

Wen together with you to the park  
Saw squirrels climbing on the trees  
Put some food in the lake for the ducks  
Got back home with you hand in my hand
